HAPPY NEW YEAR!

No surprise! We are behind schedule yet again this year. We went to Big White right after Thanksgiving and just got home. So we are running around with the last minute shopping crowd trying to get it all done before Christmas.

It's been another wonderful year for us full of good friends, great fun, fabulous skiing and incredible trips. We've continued our travels including our annual trips to Big White, Big Sky, Ogden, and Cabo. For a change, we spent time in the Caribbean, Park City and Sedona.

Looking back, we are most thankful that we continue to enjoy good health and each other. We look forward to facing all that 2012 brings— with courage, strength and laughter.

Let's stay in touch. Connect with us on facebook or via e-mail. AND if ever you are in San Diego, be sure to give us a call as we have a couple of spare bedrooms just waiting for company.

SKIING . . .

Just in case you haven't noticed, we love to ski— whether on water or snow. We water skied our typical NINE extended weekends on the Colorado River. We absolutely love skiing and camping on the river with the Radar River Rats.

Besides snow skiing four weeks at Big White (Canada), we skied Aspen (CO), Snowmass (CO), Powder Mountain (UT), Snowbasin (UT), Grand Targhee (WY) and Big Sky (MT). We skied Mt. Baldy (CA), Eagle Point (UT) and Brianhead (UT) for the first time. Hope to ski more resorts that are new to us in 2012.

CARIBBEAN . . .

In May, we joined Gene's friends Denise and Gary at their timeshare in the Dominican Republic. It was a beautiful resort. Gene and others went on a fabulous white water rafting trip.

Since we were already in Miami, we explored South Beach for a few days before heading on a four day Carnival cruise to Key West and Cozumel.

PARK CITY . . .

We stayed in Park City for a week while checking out Ogden for some fun activities (including a Pub Crawl) for the 2012 Far West Ski Convention.

Just loved Park City. We used the free bus to the other ski areas to hike. Met up with friends from Ogden and Draper. Also liked Timpanogos Canyon.

CABO . . .

Cabo in October was again great. We ATV'd, walked the beach, relaxed by the pool, snorkeled, enjoyed amazing sun rises, played volleyball and made new friends.

Spent a week at the all-inclusive Solaris and another 5 days at Welk's Sirena del Mar where the views was breathtaking. Going back to Solaris in October in 2012. Cabo anyone?

SEDONA . . .

Sedona was a first for Gene. Catherine had been there 30 years ago when there wasn't much more than dirt roads. The scenery is spectacular. We lucked out in that the fall colors were still out in full force. He liked a bit and saw lots of sights. Our favorite was the Chapel of the Holy Cross. Even went to a prayer meeting there.
