The innovative sport of bodyflight is new and always exciting. In an iFLY wind tunnel you are able to fly your body in a controlled manner within the safety of our wall to wall air flow chamber. Everyone can fly! Excitement, adrenaline and adventure, iFLY Utah offers it all in the flight experience of a lifetime. No experience necessary, professional instructors will teach you the fundamentals, and provide your flight equipment.

Glow Miniature Golf

This themed glow in the dark miniature golf course offers a host of fun activities at every turn. The courses are challenging enough for adults to navigate and you will be entertained at every hole.

Bumper Cars

Newton's third law of motion comes into play on the bumper cars. This law, the law of interaction, says that if one body exerts a force on a second body, the second body exerts a force equal in magnitude and opposite in direction on the first body. It's the law of action-reaction, and it helps to explain why you feel a jolt when you collide with another bumper car.

Lunch is provided by Costa Vida. Make your own taco with a hand-made tortilla filled with shredded cheese, leafy greens, pico de gallo salsa and your choice of beef or chicken. Served with cilantro lime rice and black or pinto beans. Costa Vida goes to great lengths to ensure the freshest all-natural ingredients are used and prepared from scratch each day. The intense and diverse flavors will make your taste buds boogie and leave you satisfied and energized.

Easy to Moderate WHEELER CANYON HIKE

Check in at the Hampton Inn & Suites Lobby at **9:00 AM** / Van will leave at **9:15 AM Sharp**

\$30

Wheeler Creek Trail takes its name from Simon and Levi Wheeler, the first to haul timber out of the canyon and later from the upper basin, which in 1940 was given the name "Snow Basin."

The most popular use of the Wheeler Creek Trail will have us turning south just below Pineview Dam into Wheeler Canyon's mouth. From this lower trailhead, it's an easy drift up an old roadbed to the canyon's high mouth.

We can make the Wheeler Creek Trail a more ambitious hike (moderate) by forking off the road to the right and following the main flow of Wheeler's Creek to the Middle Fork Wheeler Canyon.

Because this trail meanders through nearly vertical canyon walls, it can be shady and cool when many other trails are hot and fearsome, earning part of it the nickname of "Icebox Canyon."

The actual trail we choose will depend on the participants & conditions.

Includes—

- Guide
- Transportation
- Lunch
- Water and Trail Snacks

What to bring—

- Hat or Visor
- Sunglasses
- Sunscreen
- Bug Spray
- Light Jacket
- Good comfortable shoes
- Your camera and a sense of ADVENTURE

This loop is an easy 4 miles hike with a 600' gain.

Information: contact Michael Bouton at mbouton0559@msn.com or 208-703-0444.
